Dear Judge Arleo,

***Re: United States v. Adebayo 15-550(MCA)***

Please accept this letter in lieu of a more formal motion to relief Mr. Aderemilekun Omojola, Esq., Principal Attorney at Omojola and Associates, P.C as my counsel. Mr. Omojola is a great and well respected Attorney but his area of expertise is inconsistent with the charges pending against me before this honorable court. My wife who recently moved for a divorce erroneously retained Mr. Omojola to represent me in this criminal matter.

Additionally, after careful consideration, I have decided to proceed pro se in the case of United States v. Adebayo 15-550(MCA). I gained experience and knowledge concerning representation before the courts from my previous attorney and legal materials are readily available to me at my current place of confinement. Moreover, as a graduate of the prestigious University of London, England, United Kingdom, I am confident of my ability to represent myself before your honor in this criminal matter.

**CONCLUSION**

I respectfully request that your honor grant my request to relief Mr. Omojola as counsel and permit me to proceed pro se in this instant case with a court appointed standby attorney.

Date: August 18, 2017
